

Foreign Affairs Manual

VOLUME 9 – Visas

Change Transmittal: VISA-1241

Date: July 8, 2009

9 FAM APPENDIX D, 200 CONSULAR LOOKOUT AND SUPPORT SYSTEM (CLASS)

Changes

1. This Change Transmittal issues updates to **9 FAM Appendix D, 200**. Section 202.2-1, General Information has been amended with the following: Security Advisory Opinions must have Department concurrence before entering a refusal under INA 212(a)(3)(A), (B), (C), (E) or (F).
2. Revisions do not appear in *italics* and *dark magenta* because this subchapter's classifications markings were added throughout and deemed it to be 50 percent changes.
3. **Change Transmittal** has replaced the term, Transmittal Letter. Change Transmittal was selected as being more appropriate in this age of electronic information transmission. The FAM volume's transmittal acronym and numerical series remains in place.
4. Officers are reminded that Department-issued materials not codified in the Foreign Affairs Manual or its supplemental Foreign Affairs Handbook series generally have no regulatory validity (see 2 FAM 1115.2).
